Ukraine is literally the headquarters of George Soros.

George Soros openly discussed his investments in Ukraine and about Joe Biden's involvement there.

"I also want to mention that there is one person who has been very deeply involved in Ukraine, and that is Biden"

George Soros's foundation was set up in Ukraine in 1990, and is his financial base to conduct his activities all over the world.

Modern Ukraine was set up by the Cabal.

"I set up a foundation in Ukraine, before Ukraine became independent of Russia"

- George Soros

Soros today is pursuing a new plan.

A Clash of Civilizations

Psyops have changed.
